

## TEAM MADIGAN 2019 RACE / EVENTS CALENDAR (Draft format at the moment)!

Marshal Roster will be for mostly Club Road Races and any overflow passed to Time Trial's. Ken Brewster has kindly agreed to look after the Marshal Roster and will add names later.

We have 8 Club Road Races that require Marshals. Each adult club member with a race licence will Marshal one race only! Non-competing members will be asked to kindly volunteer to Marshal the Handicap Road Race Cup event, this is to allow all racing members to have a chance of entering the handicap cup road race. When you Marshal a Club Race 25 points will be awarded to you for the Club BAR and 25 points for your Category BAR.

We will also require Marshals for our main Open Race the Madigan Grand Prix on Saturday 17<sup>th</sup> August 2019. There will be 4 Races on the Kilroot circuit running at the same time: (A) Race for A+, A1, A 2, A3 & A3 Juniors). The (B) Race is for A4 riders. Plus a Ladies race, and an Over 50s Masters race. Please let me know if you are available to Marshal from 11.00am to 1.30pm. Many Thanks! DR.

Note in Club Races your best 6 from 8 Time Trials and your best 6 from 8 Road Races will count in the Club **BARs** (Best All Rounder).

Re Duel Carriageway Time Trial's, our club will not have any of these this year due to the legal requirement of electronic warning sign's each end of Duel Carriageway at a hire cost of £250 per Time Trial, plus comprehensive warning signage of the course requiring a lot of manpower. However there may well be Open Time Trial's on fast Duel Carriageway's where our riders can enter if chasing fast times for club medal's. The club allows time's from Open events to count for club medals.

Calendar last updated on 23 January 2019. DR.
